

The map illustrates the urban layout of São João do Poinsine, Santa Maria, divided into five sectors (Setor 1 to Setor 5) and an area of intervention (ÁREA DE INTERVENÇÃO). The map includes a north arrow, a scale bar, and a title block with the name of the engineer and the project name.

Setor 1: Located in the upper right, containing lots 1 through 28. It is bordered by Nova Palma, Pinhal Grande, and Nova São Luiz.

Setor 2: Located in the middle right, containing lots 29 through 54. It is bordered by Nova São Luiz and Novo Treviso.

Setor 3: Located in the upper left, containing lots 1 through 18. It is bordered by Nova Palma, Pinhal Grande, and Nova São Luiz.

Setor 4: Located in the middle left, containing lots 1 through 24. It is bordered by Nova São Luiz and Novo Treviso.

Setor 5: Located in the lower left, containing lots 1 through 24. It is bordered by Novo Treviso and São João do Poinsine.

ÁREA DE INTERVENÇÃO: Located in the lower right, containing lots 1 through 24. It is bordered by Novo Treviso and São João do Poinsine.

Other features: The map also shows the Distrito Industrial, a river, and a road network. A north arrow and a scale bar are included.
